

SAVE TIME & MONEY

WITH CARFAX[®] QuickVIN[™]

LubeSoft[®] has been integrated with the CARFAX[®] QuickVIN[™] program.

When an invoice is started, LubeSoft will send the license plate to Carfax. Their QuickVIN database will return the vehicle's VIN, Year, Make and Model to LubeSoft. Use of this feature requires enrollment with Carfax and LubeSoft connected to high speed internet.

In a just a few seconds, receive the vehicle's VIN, Year, Make, and Model

CARFAX QuickVIN is free and helps:

- ✓ Increase cars per day
- ✓ An alternative to scanners
- ✓ Get accurate vehicle information
- ✓ Reduce errors ordering/installing parts
